

Mepilex® Border Flex Application Guide

Prepare

Start by cleansing the wound in accordance with normal procedures and make sure the surrounding skin is **completely dry** before application

NOTE

Select an appropriate dressing size according to the wound size by making sure that the wound pad will overlap the wound by at least 1-2 cm.

Open the sterile packaging and remove the dressing

Do not stretch the dressing while applying and avoid wrinkles

Apply

3" x 3" and 4" x 4"

1. Remove the outer release film (purple bar)

2. Apply dressing to wound and smooth border

3. Repeat on other side and smooth dressing into place

6" x 6" and 6" x 8"

1. Remove the central part of the release film (two purple bars)

2. Apply dressing to the wound

3. Release each side film and smooth dressing into place

Maintain

0 Sides

Strikethrough at 0 edges.
Can keep in place

1 Side

Strikethrough at 1 edge.
Can keep in place

2 Sides

Strikethrough at 2 edges.
Can keep in place

3 Sides

The dressing is saturated when the strikethrough has reached 3 edges.

NOTE

- The dressing may be left in place for up to 7 days
- Inspect the dressing and surrounding skin daily
- Leave the dressing on unless there are clinical reasons to change
- Change the dressing
 - If exudate leaks from the dressing or into the borders
 - If there is any sign of infection
 - When the dressing is fully saturated (exudate reaches 3 out of 4 sides)

Mepilex® Border Flex

Frequency of change

Mepilex Border Flex may be left in place up to 7 days, depending on the condition of the wound and surrounding skin, or as indicated by accepted clinical practice.

Areas of use

Mepilex Border Flex is designed for a wide range of acute and chronic wounds such as leg and foot ulcers, pressure ulcers, traumatic wounds and skin tears. It can also be used on dry/necrotic wounds in combination with gels.

Precautions

In the case of signs of clinical infection, consult a healthcare professional for adequate infection treatment. Do not use on patients with known sensitivity to the dressing or its components.
